It is made of durable plastic and measures approximately 17.5â[?][?] x 8.25â[?][?] x 3.3â[?][?]. The solid stainless steel blade carrier holds up to 6 16-inch retractable blades and features a removable paddle for ensuring proper alignment of the blades. This blade carrier will also come with an 8-inch plastic swivel carrying tray with 5 side pockets and a large central pocket, a prying tool, a sidecarrier tool, a multi-tool, and an optional front pocket blade. The metal rack, measuring 24â[?][?] x 6â[?][?] x 1.25â[?][?] holds 7 6-inch retractable blades. The tool sleeve has a convenient cross handle for carrying other tools and accessories, such as 4-inch plastic pry tools, scissors, punches, and much more. The lid opens in a radial fashion and slides on the bottom, and the tray is designed with a center of gravity that will allow for easy transportation of the items in the kit. The manufacturing process for the carrying tray, blade carrier, metal rack, and tool sleeve is done in Taiwan. The lid is designed to allow for quick access to the blades that are on the metal rack, and the interior of the tray will be lined with soft, textured fabric, which will provide 3e33713323
